## MANAGEMENTUL TURISTIC ȘI IMPORTANȚA SA ÎN MINIMIZAREA IMPACTULUI SCHIMBĂRILOR CLIMATICE

## TOURISM MANAGEMENT AND ITS IMPORTANCE IN MINIMIZING THE IMPACT OF CLIMATE CHANGE

**Conf.dr. Constanța ENEA**  
Universitatea „Constantin Brâncuși” din Târgu-Jiu

**Abstract:** Tourism's representatives must not remain passive in front of weather's changes. They are already reacting and trying to adapt to the new environment conditions. The previous winters with less quantities of snow showed that global warming doesn't determine their economical activity but represents an essential factor and a general condition.

**Keywords:** tourism, management of tourism, change climate, the impact of the warming climate.
