

ASIGURAREA PENTRU RISC ÎN ACTIVITATEA DE MANAGEMENT

RISK INSURANCE IN MANAGEMENT

General Manager Costel CEOCEA
S.I.F. Moldova

Abstract: Starting from the need of introducing some insuring tools in the management activity, the herein article is focused on counterbalancing the risks encountered in business management through insurance products from the professional insurance. Within this framework are defined: the insured risk, the beneficiary and the main characteristics of management liability insurance.

Keywords: insurance risks, management liability, contractor, claims.
